

More information about us...

We have been making steady donations to charities for many years. We believe it is important to give back to those less fortunate. It is equally important to give to a cause, or for a cure near or dear to your heart.

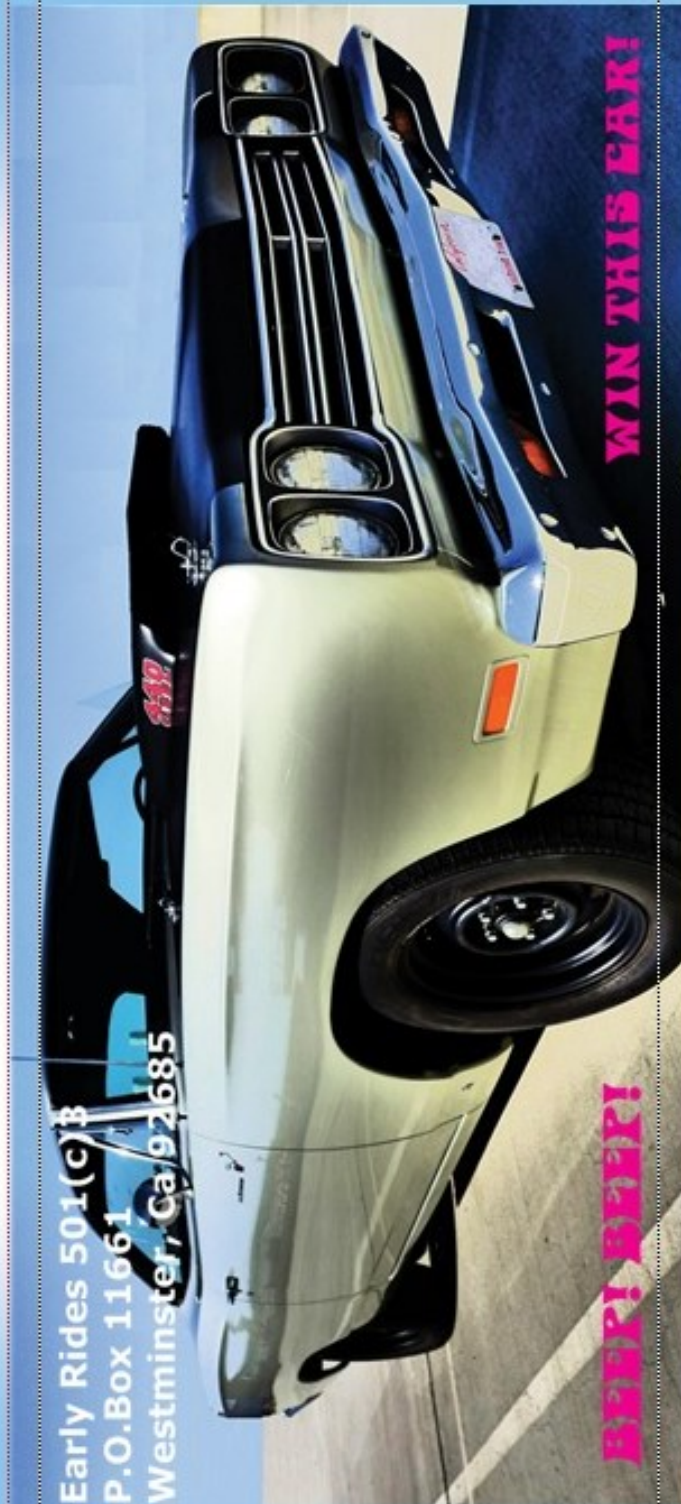

In 2009 we donated a 1971 Chevrolet Camaro to the Joyce Meyer ministry. Last year we raffled off a 1970 Road Runner 4-speed with factory A/C. Thank you to everyone who supported us by buying tickets. We get a greater joy in giving away the cars than we do just as straight donation since classic cars are our passion.

At Early Rides, we are car builders. We have been restoring American muscle cars of all makes and models for twenty five years. We use a mix of stock and after market parts to add to the performance and safety to the car. Then we thoroughly test it for reliability by personally putting it through the paces on the street and on the tracks. (drag race and road course) This is to make sure it is ready for whatever the new owner will want to do with it.

This is such a wonderful opportunity to combine two of our favorite things; cars and giving. Please join with us as we help others and help the planet by recycling these fantastic cars and bring joy to all.

Tickets are available by mail.
Send a check or money order to:
